Fax 360-674-2807

Port of Bremerton opens

Harborside Steps

January 23, 2010

Harborside Steps to Enhance Future Development of Port's Downtown Property

Last year the Port Commission voted to purchase a full waterfront city block from the Kitsap County Consolidated Housing Authority for the price of \$3.5 million dollars.

The Harborside Steps will bring value to any future development of this site.

Port Receives HUD Grant to Construct Harborside Steps

Thanks to Congressman Norm Dicks, the Port received a HUD Grant of \$400,000 to build the Harborside Steps.

A public walkway connecting Washington Street to the Bremerton Marina and the Bremerton Boardwalk.

Project on Budget and On Time

Thanks to our Project Manager, Gary Sexton, the construction of the Harborside Steps came in on budget and on time.

Gary is the Economic Development Director for the City of Bremerton.
